- Supplemental Hospital Insurance (3)
- Identity Protection
- We are about to begin offering dependent care benefits (children, elders, pets) which is essentially sitter services in home and at licensed facilities. The company is called Bright Horizons.
- Concierge Service for medical telemedicine, tobacco cessation, metabolic syndrome program, biometric screening, travel assistance, will prep, Employee Assistance Program, Tricare Supplemental
- Flexible Spending Account - Medical and Dependent Care
- We offer all of these but we are looking to consolidate all benefits under a Voluntary Benefits provider this year.
